 - 1st, Dimmed brightness until movement
 - 2nd, Zero brightness until movement
 - 3rd, Constant light throughout the night
 - 4th, Constant light for approx 30 Mins
- Available in white or black
- Automatic night time operation
- Waterproof (IP65)

SPECIFICATION

Part Number	SL-WL-06-WHT	SL-WL-06-BLK
Product Colour	White	Black
Colour	Cool White 6000K	
Light Source	Epistar 2835 SMD LED	
Beam Angle	120°	
Lumen (lm) - Full	900lm	
Power Consumption	6W	
Charging time	7 hours (from 0 - 100%)	
Housing	Polycarbonate	
Solar Battery	3.2V 3000mAh	
Operation Temperature	-25°C~+60°C	
Dimension (mm)	106(D) x 79(H) x 206(W)	
Solar Panel	5V 2.5W	
Warranty	1 Year Replacement
