

SolarLED Flood Light - 40W

Model: TL-SFL-40W

Tallis Lightings SolarLED Flood Lights are a simple solution to provide lighting to an area with no operational costs by using power free from the sun. The SolarLED Flood Light range is fully flexible for most lighting needs and come with a remote control for easy programming or for internal areas to turn the light on and off as required.

Product Features

- Solar Powered – free from the sun
- ON/OFF, Brightness and lighting time adjustable with supplied remote control
- Automatic night time operation when in outdoor mode
- Smart Power Battery Detection – LED brightness is automatically reduced to prolong battery life
- Separate Solar Panel with 3.8m lead
- Waterproof (IP65)
- Aluminium housing

Lighting Mode:

ON: Activates light to turn on at dusk at the preset M1 mode

OFF: Turns light off so will not turn on at night

M1: Light will come on 100% until dawn

M2: Light will come on 50% until dawn

M3: Light 80% 5 hrs then 20% until dawn

T: Short press once for 3hrs at 100% brightness (indicator flashes red for 5 seconds)

Short press twice for 5hrs at 100% brightness (indicator flashes green for 5 seconds)

When the timing ends, the light will switch off until the next night where the program will be repeated

SPECIFICATION

Colour	Cool White (6000K)
Lumen (lm) – Full	4000lm
Light Source	SMD LED
Beam Angle	120°
Solar Panel	9.45W
Power Consumption	40W
Solar Battery	3.7V 2.6Ah
Charging time	8 hours (from 0 – 100%)
Redundancy	~ 5 Days
Housing	Aluminium
Operation Temperature	-25°C~+40°C
Light Dimension (mm)	171 (L) x 104 (H) x 44 (D)
Solar Panel Size (mm)	180 (L) x 202(H) x 20(D)
Cable Length	3.8m
Protection Rating	IP65
Warranty	2 years
